

Attention E&E Council Members:

Please be advised that the Colorado Chamber sent the [attached letter](#) to the AQCC requesting the EDF petition be denied. This is in alignment, not only with our member's letters, but also in agreement with a [letter from Governor Polis](#). The hearing for the petition will be at the AQCC meeting happening this week on February 18th and 19th. To see the agenda and access the zoom link, [please click here](#). They have reached the sign up maximum for public comments during the meeting but are still accepting written comments, sent to: cdphe.aqcc-comments@state.co.us.
