

Attention E&E Council:

Please be advised that CDPHE has submitted an emergency supplemental request concerning dredge and fill, [please see attached](#). The JBC will be hearing this matter on Friday, June 18th, at 11:15 AM. The Chamber will be reaching out to the members of JBC to express concern and see if we can get some questions answered on the record concerning the type of activities these funds will be used for, and if there will be a stakeholder process. We reached out to CDPHE to inquire and their response was they just needed authority to spend the money they already had allotted, about \$400k. Please let Katie Wolf, [kwolf@cochamber.com](mailto:kwolf@cochamber.com) know if there are other questions or concerns we should raise with JBC.

A quick update on ETRP, the Chamber submitted a request for party status, as many members have expressed robust interest in participating. If you are interested in contributing financially to this effort, please let Katie Wolf know at your earliest convenience.
